

Issue 9 – Term 2 – Week 7

Wednesday, 7 June 2017

### MESSAGE FROM LISA

We are coming up to the June Long Weekend which is a great opportunity to take breather from a very hectic term. Term 2 is always jam packed with sport and extra-curricular activities that are important for our students to be a part of but also can be very tiring for students and staff. Remember to make sure students are keeping regular (and realistic) bed times, eating well and attempting to keep away from all the nasty bugs that are around by maintaining good hygiene habits such as washing hands and coughing into tissues etc.

Don't forget about our Bush Dance coming up in a few weeks. We're all really looking forward to having the opportunity to hang out together, dance, share good food and have some fun.

Congratulations to **Gemma** who has made it through to State Cross-Country which will be held later in the term. It is not an easy feat to make your way through all the competition required to get to State so 'Job Well Done'!

### QUOTE FOR THE WEEK

*"Ability is what you're capable of doing.  
Motivation determines what you do.  
Attitude determines how well you do it."*

*Low Holt*

### RESPECTFUL COMMUNICATION REMINDER

This is a reminder to all of our families that we strive for all communication between members of our school community to be respectful and appropriate at all times. This is for many reasons but primarily to model the expectations we have for our students.

Please remember that the school is our staffs' place of work, similar to your office or the office of any other professional. Please wait in appropriate places, not in classrooms or outside windows/doors as this can be disruptive to lessons and students.

Our teachers' time is valuable and often limited which is why scheduled meetings or conversations make it easy for everyone involved to get the information and answers they require. We ask that any communication at school be respectful at all times, the same as we expect our staff to be respectful at all times. If you have concerns, issues or complaints please let the teacher know first and then inform myself or our Assistant Principal, Mrs Woodward, so we can work it through and gain positive outcomes for everyone.

***We would like to remind families of expected usage of our various communication tools:***

**Newsletters:** School Information – dates, times, updates, classroom or school events, future events, school banking, business promotion, community events, P & C information

**Individual Event Notes:** Information regarding school, class or small group events

**Mobile Phones:** It is only appropriate to contact a teacher via mobile phone if that number has been supplied for an excursion or part of a negotiated arrangement. I have made it very clear to staff that receiving text messages or phone calls from families in the evening or on weekends isn't within the confines of their job and to request families to contact them during school hours. I understand at times there are emergencies or there needs to be contact for excursions or sporting events, but this would fall under negotiated contact. Please be mindful of this.

**Facebook:** Photos, celebrations, reminders, updates, emergency alerts, promotion of community activities that are beneficial or relevant for our students ***not for*** – questions, complaints, negative conversation streams, business promotion. Staff are advised via DoE policy and regulation that they are not permitted to 'friend' parents or students at their current school, this includes Messenger.

**Skoolbag:** School Information – dates, times, updates, emergency alerts, copies of newsletters, Canteen menus Uniform Shop price lists, P & C details. **Not for** – class letters or details pertaining to individual class events, questions and complaints

If you need to contact a teacher or myself please contact the office to make a time, email the school, teacher or myself. Also, if you have any questions regarding upcoming events the front office has copies of all notes and are aware of what is happening at all times. I'm sure they can assist and if not will get the answers for you as soon as they can.

## SCHOOL VALUES & EXPECTATIONS

This term the Positive Behaviour for Learning focus has been on Responsibility – exploring what *Responsibility* looks like and what is expected in all areas across our school.

**Week 7- Responsibility-Canteen** > *Line up sensibly and move away directly after you buy something*

## TERM 2 EVENTS & NOTICES

### PAYMENTS FOR MAJOR EXCURSIONS

Major excursions for Years 3-4 and Year 5- 6 are coming up quickly. Please do not forget to make regular payments so that your schedule is easier and you are not left with a large amount at the end.

School excursions are an extremely important part of the school curriculum not only academically but socially as well. Though your child may be nervous I promise you the experience will be very beneficial for their confidence, independence and self-esteem. We organise our excursions to keep them very busy so there is limited home sickness and a lot of fun.

If you are having difficulty making payments or would like some financial assistance to make sure your child can attend please contact the front office. We will do everything we can to make sure every child is given the opportunity to attend.

**Year 3-4 Excursion:** Adventure Land Monday, 7<sup>th</sup> August – Wednesday 9<sup>th</sup> August, 2017

**5-6 Excursion:** Canberra and the Snowfields, Sunday 13<sup>th</sup> August –Thursday 17<sup>th</sup> August, 2017.

**Year K- 2 Excursion:** Timbertown Colonial Village Thursday, 21<sup>st</sup> September, 2017 (notes with subsidised costs for this excursion will come out early in Term 3).

### ASSEMBLY

During Term 2 we will be holding our assemblies from 2.00pm-3.00pm on Friday afternoons of our even weeks starting in Week 2. Our second assembly for this term was hosted by the Blue Room with a variety of dances from around the world. Our next assembly will be hosted by the Purple Room in week 6.

Don't forget if you have tallied 10 awards please bring them in so we can organise your Gold Awards. Every 10 awards your child is eligible for a Gold Award, once they have received 50 Awards (5 Gold) they will become an Honour Student.

Once a student has received their 5 Gold Awards, Honour Student certificate and badge they need to collect and submit another 25 awards to receive **Diamond Status**.

Please note that Harrington's Got Talent Awards don't count towards the overall award tally for each level.

## MULTICULTURAL SPEAKING PERSPECTIVES

## SPORT

### Netball Knockout Competition

Well done to our Netball PSSA Knockout team! They recently played Kempsey West PS for their Round 3 competition. All girls never gave up and tried their hardest, however, it was not to be – we lost ☹. This will be the end of our competition for 2017. We

would like to thank Sharee Bromley for umpiring our games and the parents for helping with transport.

### Cross Country

Last Friday Gemma participated in the Hunter PSSA Cross Country at Newcastle. We would like to congratulate her on her huge success as she placed 4<sup>th</sup>. Gemma is now off to Sydney to participate in the State Cross Country. An awesome effort Gemma! **We are all so proud of you!**

## Athletics Carnival

Last Thursday, June 1<sup>st</sup>, the students all competed in our annual school Athletics Carnival. The weather held off and the students demonstrated beautiful team sportsmanship. I would like to thank all the parents and teachers that assisted on the day to support the day running so smoothly. I would also like to thank Harrington Mechanical Services for donating the white spray paint for the lines, and the Men's Shed for offering their line marker for next year. Graham, Neolie and my legs and back will greatly appreciate this!

The Small Schools District Athletics Carnival will be held **Thursday, 15<sup>th</sup> June** at Taree Recreation Field. Students should have received their permission slips. Please ensure these are returned ASAP as it is very difficult to organise transport, if needed, the day prior to the event. I am requesting all permissions slips be return by Friday, 9<sup>th</sup> June.

The first 3 places from 8 years to 12 years in track and field events have qualified to participate at the Small Schools District Athletics Carnival. Please note- The Small Schools District Athletics Carnival will **NOT** run high jump. They go straight to Zone; however, they must qualify with the height. I have noted beside the student's name if they have qualified for the height required for the Zone Athletics carnival in August.

Congratulations to all students for a great day.

Age Champions will be awarded their trophies at the next assembly.

Results and current record holders are listed at the end of this newsletter.

***Mrs Woodward***

## SCHOOL BANKING

Our School Banking Day is Tuesday. We would like to remind all our families that parents need to fill in the tab in their child's bank book with the details of their deposit so it can be stamped each week.

We now have Banking Bags for each class where students can put their bank books on Tuesdays. We would like to encourage as many of our students as possible to bank as saving is a great skill to learn

## BYOD – BRING YOUR OWN DEVICE

As we are increasingly using interactive technologies at school we are developing a **Bring Your Own Device** policy where students will be allowed to bring an interactive device for technology sessions only.

We are currently working on this policy with the P & C to make sure we have it clearly detailed and expectations defined. A contract and information document will be sent home for students to discuss with their families and have signed by a parent or carer before they can bring a device to school.

The devices will be held in class-labelled boxes in the office and taken to classrooms only during technology sessions to ensure appropriate use and safe care of the objects. There will also be certain apps and programs students will be allowed to download at home onto their device for use at school – all other apps and games won't be allowed to be used at school or connected to school Wi-Fi.

## PHONES, HAND HELD DEVICES & SOCIAL MEDIA

This is just a reminder that all phones and hand held devices (iPods, mp3's etc.) are to be kept at the office throughout the school day. They can be handed to the office in the mornings and collected as the students leave.

**We would also like to make it very clear that the school does not support Primary School students on Social Media.**

We have clear policies and procedures regarding cyber-safety and if need be will follow them up with students bullying or inappropriately involving other students on social media sites if they cross over into the school domain

## CHECK SKOOLBAG FOR:

- Friday Sport Organisation
- Event details for each week

## SCHOOL FEES ARE NOW DUE

Thank you to all those families who have supported the school and paid their annual school contribution payments. If you haven't yet we ask that you please make payments ASAP. These funds are a crucial part of purchasing school and classrooms supplies. So far we have had 31% of families pay their contributions.

Families please note that school fees are as follows:

1 student	\$20.00
2 students	\$25.00
3 students	\$30.00

Invoices have been sent home to families. Fees can be paid in the morning on any day.

## PBL – POSITIVE BEHAVIOUR FOR LEARNING

Our Peer Club sessions for Term Two are Dance with Chelsea and Gemma, Drama with Kirrah and Indi, Art with Jake and Sabella, Sport with Mitch and Hayden, Construction with Jennah and Alice, Gardening with Makayla and Nick, Technology with Max and Darcy and finally Science with Catherine and Cooper T.

Peer Clubs are run on alternate (odd) weeks from Assemblies. These are an opportunity to not only work on curriculum based activities but to develop a variety of social and emotional skills that benefit our entire student body. These lessons have been designed and developed by the Junior PBL Team and will be run by them also with a teacher there as supervision only.

☺ **Thank you to the Saunders family for their donation of the beautiful potted plants for the front entry!**

## SCHOOL PERFORMANCE TOURS – FROM HALFWAY AROUND THE WORLD

On our second last day of school we are hosting a visiting performance called From Halfway Around the World. It is a living Puppet show and will not only match in with our term focus but help our students end the term with a bang!

*'From Halfway Around the World is a collection of seven stories plus chants, poetry, rhymes and children's games. There are true stories, a fable, a fairytale, a dreamtime story and by the end of the show when the same tall story is being told for the third time the whole audience is involved'*

When: **Thursday 29<sup>th</sup> June, 2017 from 2.00 – 3.00pm**  
Cost: \$5.00

Notes have been sent home – please return your slip with your payment as soon as possible.

## SCIENCE FAIR TERM 3 – SAVE THE DATE!

As a celebration for Education week we will be holding our 3<sup>rd</sup> Annual Science Fair on **Friday 4<sup>th</sup> August**. Last year was very successful so we are looking forward to what our Little Scientists are going to come up with this year. An information Booklet with dates, times and general suggestions for K-6 Science projects will be coming home in Week 4 this term which will give students (and families) time to get stuck into their Science Fair projects.

## GYMNASTICS TERM 3 – SAVE THE DATE!

As highlighted in the annual calendar of events and payments that went out at the end of last year we have organised for an external organisation to work with Harrington Public School during Term Three to provide high quality gymnastics sessions for our K-6 students every week of Term Three.

The cost for the term is \$45.00 which includes 10 sessions. The students will get the opportunity to do activities on different apparatus that they would never be able to do in school unless we organised something like this. We feel it is an important part of the PDHPE curriculum that students often miss out on and is greatly beneficial for co-ordination and core strength. We hope you can support us in this activity. The notes for Gymnastics have been sent home – please contact the office if you have not received one yet.. We ask that families DON'T pay weekly during Term Three as this makes it very difficult to pay the invoice for the activity when it needs to be paid. If all payments could be finalised by Week Three of Term three we would greatly appreciate it.

## CHANGES TO SCHOOL PAYMENTS

Harrington Public School will transition to the new NSW Public Schools' finance system and a new bank account on **4 September 2017**.

To ensure a smooth transition, there will be changes to the way we accept payments from parents and carers.

1. **EFTPOS payments:** We will not be able to accept EFTPOS payments between **30 August and 5 September 2017**. Please ensure that you have made any outstanding EFTPOS payments before **30 August, 2017**. From **5 September 2017**, EFTPOS payments will be accepted as before.
2. **Cash and cheque payments:** Between **30 August 2017** and **4 September 2017**, we will also not be able to accept payments by cash or cheque as we prepare to close our current bank account and transition to the new one. Please ensure that you have made any outstanding cash or cheque payments before **30 August 2017**. From **5 September 2017**, cash and cheque payments will be accepted as before.

**Online payments (POP):** As of **25 August 2017**, payments to our current online payment facility will cease. You will not be able to use the Department of Education's Parent Online Payment (POP) system until **Monday 4 September**.

Please be aware that over the next three months both Karen and Kirsty will periodically be training for the transition to the new management system.

Thank you for your patience and understanding as we transition to our new finance system. If you have any questions, please contact the school office on 6556 1267.
